NEWS AND INFORMATION

CONCLAVE QUEBEC

Well the AHCSO contingent attending this years Conclave in Quebec have all returned safe and sound! It was a wonderful event filled with great week long events - however only the first few days were sunny - so we managed to get in FUNKHANA, GYMKHANA and the time trials out at the nearby airport (Len Thomas - you are a 'speed demon!') and the next day in Baie St. Paul - 'Popularity' before the weather played a nasty trick on us for the next number of days (pelted rain - and cold!) Yikes - it was such a shame because the location was spectacular at the beautiful Fairmont Hotel - but as Healey folks do we 'soldiered through!' Look for some pictures of our week in Quebec in August newsletter! A HUGE 'MERCI' to our Quebec Club for all the hard work it takes to host this event! We loved it!
