SEPTEMBER 2015 FALL SUPPLEMENT

WINE TOUR - AUGUST 22, 2015

The 'weather Gods' were smiling on us as we set out on our 2015 Wine Tour - with a beautiful sunny, warm but not humid day. 20 cars left from our house as we set off to tour 3 interesting but uniquely different wineries with Jordan Ontario being the farthest and then wending our way back to Winona for our pot luck supper which everyone seemed to enjoy – thanks to the wonderful group of Healey folks who brought a great variety of delicious food! Ed and I thank you all for coming and we really enjoyed having everyone here! Thanks also to Peter and Catherine for taking such great pictures!
