# THE RESONATOR

Official Newsletter of the  
Austin Healey Club of Southern Ontario

## A Word From Our President

I would like to thank everyone for their great support in the Ancaster British Car Show and Flea Market held on Sunday, April 23, 2023. Whether you volunteered, had a table as a vendor or attended to support this event, I hope you enjoyed the day. We had about 300 Classic British Cars and a good turnout of outside vendors. I very much enjoyed working at a different location this year and got to meet other British Car Enthusiasts.

This year will be my Austin Healey's 70th Birthday and I hope to get out and drive her many places. Did you know that on May 12, 1964, the first phase 2 BJ8 assembly began!

Please see details later in the newsletter regarding the Wednesday May 17 lunch and the Saturday May 27 drive.

Also, remember to join us on Wednesday, May 10 for our Zoom Meeting. We would like to know what projects everyone has been up to this winter; are your car projects finished and ready for the road?

Tata for now,

*Heather Doust*

# Ancaster Flea Market

BY AMANDA YULE

Well, it didn't snow this year! Or rain for that matter. But if you ask any of the parking or entrance gate attendants, they'll tell you it was a wee bit brisk!

Nonetheless, the day went off spectacularly! Many British classics attended, friends were re-acquainted after a long winter and many garages and sheds now have more (or less) room in them (depending on whether or not you were a vendor or a buyer of course!)

Many thanks to the army of volunteers that it takes to run an event like this and of course, kudos to the Ancaster Committee for yet another wonderful event.

**WE DID IT! Ancaster British Car Show & Flea Market was a grand success. 10+ percent increase in attendance, vendors and car show. Super pleased.**

## 1967 Austin Healey BJ8

A great project for someone looking to enjoy the benefits of roll-up windows and a fixed soft-top but still get that 'roadster' feel!

This BJ7 project needs all the usual metal work repairs that come with a Healey restoration. The engine was dismantled by previous owner, condition is unknown.

A complete car that we have decided to find a new home for because we're restoring a BJ7 for Bob and we don't need another project.

\$14,500 OBO

3 Racing Minis - raced with VARAC between 1996 and 2012. They were professionally prepared for storage, and have been stored in climate-controlled garage.

1963 Mini Cooper S with Longman Engine (03) - was 1997 Overall VARAC points champion

1964 Mini Cooper S with Longman Engine (303)

1967 Mini Cooper S with Longman Engine (30)

Many parts included - about enough to make another engine!

**Enclosed trailer also included.**

Asking \$45,000, firm.
