A Word From Our President

Hello Everyone.

I hope you have been out driving and enjoying your cars!

We had a fun day with the Little British Sports Car Club and enjoyed a wonderful lunch at the Rockford's Bar & Grill in King City. I would eat there again. I was happy to meet David and Mayumi Goadby, and to see their beautiful black over silver BJ8.

After our lunch and a drive, a few Healey folks returned to our farm in Kenilworth for some trampoline assembly. Many hands made for light work!

We also had a club social on Saturday June 3rd at the Topsy Fox in Erin with 11 of us in attendance and 4 Healeys driven there. It was a wonderful time!

I want to point out that we would really appreciate it if everyone could RSVP with respect to upcoming events. The restaurants need to know our numbers ahead of time.

In particular, we have the First Day of Summer lunch on June 21st at 1PM at Heaven on 7 in Rockwood - please RSVP to Mal (malcombruce@gmail.com) and a Moon Light dinner on July 5th at 6:30 p.m. at Topsy Fox in Erin - please RSVP to Mark (mark@abarth.ca).

Please continue to check our website for club events.

Tata for now,

Heather Doust

AHCSO June Lunch Date Coming Up

BY AMANDA YULE

Mal Bruce has organized another great venue for a Wednesday lunch this month.

Quite a few of us made the trek to Rockwood last summer for a delicious lunch at Heaven on 7.

Hopefully we'll see just as many members and cars again this year!

If you haven't RSVP'd yet to Mal, please do so right away so that we can let the restaurant know how many to expect.

You Missed A Good Time...

The May AHCSO Lunch in Scotland, Ontario was very well attended with quite a few folks joining in the fun!

A few of us drove our Healeys and there was one MGB in attendance as well.

Many thanks to Mal for organizing a great get together.

A great project for someone looking to enjoy the benefits of roll-up windows and a fixed soft-top but still get that 'roadster' feel!

This BJ7 project needs all the usual metal work repairs that come with a Healey restoration. The engine was dismantled by previous owner, condition is unknown.

A complete car that we have decided to find a new home for because we're restoring a BJ7 for Bob and we don't need another project.
