A MESSAGE FROM OUR PRESIDENT

I hope your weekend plans involve time in your Healey seat!

We had a quick trip to Cowbell Brewery a couple of weekends ago in our Healeys, and actually crossed paths with a couple of Healey friends! Bob & Levina Yule and Paul & Robin Hurdle were also there, which meant there were 4 Healeys and an Innocenti in the parking lot. We also managed an ice cream stop, which was an adventure in itself! No evening meal was required after this journey!

We have several events on the Club List for August and hope you can attend at least one of them - Cars and Coffee, Pub Lunch, Cruise Nights. Check out the AHCSO website for more details.

If you plan on attending the September Ravine Winery Lunch and Car Show, be sure to please purchase your tickets in advance.

Tata for now,
Heather Doust,
President AHCSO

This BN1 was built on July 13, 1954, and driven until 1965. The car underwent a comprehensive restoration starting in 2007 until its completion in 2011. The restoration, using all original number matching parts, was done by the late Richard Chrysler and his team. Meticulously restored including the original 3 speed transmission and factory O/D.
